17 UNITED STATES OF AMERICA

18 Petitioner,

19 v.

20 DEVON CHRISTOPHER WENGER,

21 Respondent.

22 ) Case No.: 4:23-CR-00269-JSW  
 23 ) Judge Presiding: Hon. Jeffrey S. White  
 24 )  
 25 ) **DEFENDANT'S REQUEST FOR**  
 26 ) **RECONSIDERATION OF THE COURT**  
 27 ) **ORDER UNDER DOCKET NUMBER 566**

28 TO THE HONORABLE COURT, ALL PARTIES, AND THEIR COUNSEL OF RECORD:

29  
 30 Comes the Defendant, Devon Christopher Wenger, by and through undersigned counsel and  
 31 respectfully request Reconsider the Order entered on September 8, 2025, under Docket Number 566. The  
 32 Government raises a valid point in their response to Defendant's Request for Clarification. However, the  
 33 still photographs were never at issue, and the Government never objected to Defendant's still photos. To  
 34 allow the Government to proceed with still photography and not allow Defense, would effectively  
 35 prejudice the Defense from defending against the Government's still photos.

36 ///

1 As grounds for this motion, Defendant submits that allocation of one party being able to submit  
2 still photography during opening statements, and not allowing the opposing party to do so rises to the level  
3 of prejudice against the Defense to be able to defend against the Governments accusations.  
4

5 Respectfully submitted,

6
